MASTER TRIP LEASE AGREEMENT

This Master Trip Lease Agreement ("AGREEMENT") is entered into between ***HART FREIGHT SOLUTIONS LLC AND BF PRIME LLC***. As commonly controlled companies, the parties enter into this Agreement pursuant to 49 CFR 376.22(d), which relieves the parties from the requirements that the vehicle be placarded in the name of the lessee and that equipment receipts be exchanged between the two companies.

Whereas the parties are authorized for-hire interstate motor carriers; and

Whereas the parties require, from time to time, the use of excess capacity in order to meet obligations, and each party wishes to make excess capacity available to other parties;

Now therefore, the parties do hereby agree as follows:

1. **LEASE OF EQUIPMENT**. This AGREEMENT shall apply any time one of the parties hereto is shown as the "Carrier" on the underlying bill of lading or other shipping documentation, but the actual transportation is performed by a power unit either owned or under a long-term lease to any other party (the "EQUIPMENT"). In such situations, the party named as the "Carrier" on the bill of lading or other shipping documentation shall be the "LESSEE" for purposes of this AGREEMENT, and the party providing the EQUIPMENT shall be the "LESSOR."

2. **TRIP LEASE DOCUMENTS**. Each trip lease under this AGREEMENT shall be evidenced by properly completed documents, which shall be made a part of this AGREEMENT and shall consist of the bill of lading and any other pertinent shipping documents necessary for settlement.

3. **DURATION**. The term of this AGREEMENT shall be 365 days from the date designated on the last page hereof, subject to automatic renewal or extension, and further subject to cancellation by either party on 24 hours written notice. Each individual trip lease subject to this AGREEMENT shall commence when possession of the EQUIPMENT is tendered to the LESSEE or its driver and shall terminate upon LESSOR retaking possession of the EQUIPMENT upon tender by LESSEE subsequent to LESSEE's use of the EQUIPMENT (the "TRIP PERIOD").

4. **COMPENSATION**. It is agreed that this AGREEMENT is made between LESSEE and LESSOR. It is further agreed that any person performing driver services under this AGREEMENT is not privy to this AGREEMENT and any compensation which may be due such person is due from LESSEE and not LESSOR. LESSOR's compensation for each TRIP PERIOD shall be agreed upon by the parties, and LESSEE will be solely entitled to all other revenue received by LESSEE from the entity responsible for payment of transportation services with respect to the shipment(s) at issue, including, but not limited to, all line haul rates, accessorial and fuel charges.

5. **LESSOR'S RESPONSIBILITIES.**

(a) **Possession and Control.** LESSOR shall surrender full control, possession, and management of the EQUIPMENT to LESSEE during the term of each TRIP PERIOD under this AGREEMENT.

(b) **Compliance.** LESSOR shall ensure that the EQUIPMENT has been inspected and is in compliance with Parts 393, 396, and 397 of all state and local governmental authorities, and the regulations of the United States Department of Transportation ("DOT") (collectively "GOVERNMENTAL REQUIREMENTS").

(c) **Operational Expenses.** Vis-à-vis the LESSEE, LESSOR shall provide all EQUIPMENT ready to operate and fully roadworthy, including, but not limited to, the necessary licenses, permits, and state base plates; furnish all necessary oil, fuel, tires, and repairs for the operation of such EQUIPMENT; and pay all other expenses incident to such operation, including, but not limited to, highway use taxes, weight taxes, state property or indefinite situs taxes, fuel taxes, local taxes, licenses, ferry and toll charges and finance charges. Empty mileage expense shall be borne by LESSOR.

6. **LESSEE'S RESPONSIBILITIES.**

(a) **Insurance.** It is understood that the EQUIPMENT operating under this AGREEMENT is in the exclusive possession, control, and use of LESSEE for the period covered by each trip lease thereunder and that LESSEE assumes full responsibility in respect to the EQUIPMENT to the public, shipper and consignee, and regulatory authorities during such period. LESSEE shall provide, at its expense, public liability, property damage and cargo insurance in amounts consistent with GOVERNMENTAL REQUIREMENTS to protect LESSEE and LESSOR against claims for personal injury, property damages, and cargo loss or damage arising out of the operation of the EQUIPMENT under this AGREEMENT. Nothing contained herein shall be construed to limit the liability of LESSEE to the public in connection with the use of the EQUIPMENT. It is agreed, however, that the aforementioned insurance shall not protect LESSOR when the EQUIPMENT is not being operated on behalf of LESSEE.

(b) **Compliance.** LESSEE shall comply with and cause its drivers to comply with the GOVERNMENTAL REQUIREMENTS. LESSEE certifies that the driver supplied will be qualified to drive a motor vehicle under the rules of Part 391 of the Motor Carrier Safety Regulations of the DOT.

(c) **Indemnification.** LESSEE shall indemnify, reimburse, and hold harmless LESSOR from any liability arising from the relationship between LESSEE, or its drivers, and LESSOR, and for any costs, expenses, or damages, including attorney fees and court costs, that may be incurred by LESSOR or anyone liable on LESSOR'S behalf as a result of such relationship or for any violation or failure to comply with any provision of this AGREEMENT by LESSEE or its drivers, irrespective of the cause of such costs, expenses, or damages. LESSEE agrees to pay all fines for violations of GOVERNMENTAL REQUIREMENTS where such fines or penalties arise from or relate to LESSEE's operations hereunder.

7. **COMPLETE AGREEMENT.** This AGREEMENT, including any Appendices attached, constitutes the sole, entire, and existing understanding between LESSEE and LESSOR and supersedes all prior agreements, understandings, or practices, oral or written, express or implied, between the parties and expresses all rights and obligations imposed on each of the parties during its term, except those specifically modified or changed by written agreement between LESSEE and LESSOR.

10. **CONTROLLING LAW.** This AGREEMENT has been executed in the State of Illinois and shall be deemed to have been drawn in accordance with the statues and laws of that state in the event of any disagreement or litigation arising thereunder.

IN WITNESS WHEREOF, THE PARTIES do hereby sign this AGREEMENT on this 11th of November, 2026, the effective date of this AGREEMENT.
